GIRLS HELPING GIRLS

Exchange Club of Fremont outreach through the efforts of an extraordinary young leader's "Girls Helping Girls" project.

A junior from a local high school approached the Exchange Club of Fremont seeking support for a project she is leading. Sejal Hathi has served on the City of Fremont Youth Commission for four years and demonstrates all the attributes to be a successful leader. She has a vision, passion, determination, a strong team, and a plan. Sejal's energy is focused on providing friendship, educational materials and computers to young women in underdeveloped countries to mentor and for cultural exchange. The project they are calling "Girls Helping Girls," will reach out to youth in India, Ghana and Turkey. The Exchange Club of Fremont is honored to be asked and to assist. For starters, club members donated \$165.00 and nine school textbooks appropriate for fifth graders on the subjects of science, mathematics, and language. Our Exchange Club is open to provide additional support in the future. We look forward to hearing about progress and the success of this innovation project from our emerging youth leaders.
