Dear POTENTIAL SPONSOR:

It was a pleasure to speak to you regarding your possible sponsorship of our organization, Girls Helping Girls. Girls Helping Girls is a non-profit organization with legal status approved in November 2007. Our tax-identification number is: 26-1732972.

Girls Helping Girls works to empower girls from diverse societies and backgrounds by teaching them about global issues and guiding them to implement their own service projects in their communities. We provide school supplies, literacy textbooks, computers, and educational scholarships to participating girls for them to pursue a holistic education. We are able to accomplish this task only with generous sponsorship from corporations such as _____. Girls Helping Girls offers eight sponsorship levels; please see the attached pages for their descriptions.

We would also like to inform you of a recent feature story that was written about us by the San Jose Mercury News, which highlighted our efforts to build global “Peace, one girl at a time.” You can view the article online at http://www.mercurynews.com/localnewsheadline/ci_8501514?nclink_check=1.

We appreciate your willingness to become a sponsor.

The mission of Girls Helping Girls is to build a global culture of girls consciously collaborating to make a difference. We strive not only to bridge international cultures but, more profoundly, to channel the power harvested from the girls' collaborative service projects to Eradicate Poverty, Increase Access to Education, Improve Health, and—most importantly—Promote Peace.

Again, thank you for your interest and support in helping to provide quality education and social change programs for girls around the world. If you have any further questions, please do not hesitate to contact me. I look forward to hearing from you soon.

Sincerely,

Sejal Hathi
Founder and Executive Director,
